The dawn of 2025 is already upon us. As we bid farewell to the wild ride that was 2024, I wanted to take this opportunity to reflect on the past year and share some thoughts as we move forward into the new year.

Over 700 projects have applied to participate in Kaia Wave so far. Following a rigorous selection process, many projects are set to launch in late January and in Q1 of 2025. We are excited to bring to life one of Asia’s first consumer-focused Web3 ecosystems.

### Looking Ahead to 2025

2025 will be a pivotal year for Kaia’s growth, centered around Kaia Wave. Our

interoperability with other chains, and explore modular client structures.

We're cooking up a few more surprises, but I'll leave that for another time.

Thank you for taking the time to read this letter. Let's continue working together toward an incredible 2025! Wishing you all a Happy New Year!
