financing

Pelayaran Korindo is a comprehensive logistics company focusing on shipping operations in Indonesia. The company boasts global business experience, localization expertise in Southeast Asia, and a robust network of partners. Galactica aims to revolutionize the ship purchasing process through tokenization, targeting the Indonesian market which is home to the highest number of islands in the world (about 17,000) and significant demand for ships. Galactica intends to streamline the traditional ship purchasing process by funding ship acquisitions through fractional investment with RWA tokens, benefiting both ship owners and investors.

Revolutionizing Indonesia's shipping industry

Indonesia is the ideal region for shipping-related RWA projects — the country is rich in minerals, and due to a ban on the export of raw ores, there is an active domestic market — and consequently high maritime transport demand. In 2023, the government set a goal to modernize the shipping

- Galactica CEO Kim Yung-young

“For the launch of Galactica services, the foundation has been working closely with Pelayaran Korindo and InvestaX since last year. Galactica, Kaia’s flagship RWA token project, will serve as a solid example of RWA asset tokenization while also enhancing collaboration systems with various RWA partners to enrich the Kaia RWA ecosystem.”

- Chairman Sangmin Seo of Kaia DLT Foundation

About Galactica

Galactica is a joint venture between Kaia Foundation and Pelayaran Korindo, conducting a ship financing RWA tokenization project based in Indonesia, where domestic maritime transport demand is surging. The company plans to improve the rigid ship purchasing process and enable investors to gain
