LINE NEXT: Building a Global Web3 Ecosystem Focused on Leading-Edge Digital Experiences

LINE NEXT, headquartered in the United States, is dedicated to providing innovative digital experiences through its global Web3 ecosystem and developing future-leading businesses. A prime example is DOSI, their digital commerce platform that's redefining the digital market by enabling trade in various digital goods such as memberships, game items, and tickets.

The company's strength lies in offering unique services and exclusive digital benefits tailored to user preferences. LINE NEXT already boasts over 20 million popular digital products from 150 global brands. Drawing on this experience, the company aims to unveil cutting-edge digital products and

DWF Labs: New generation Web3 investor and market maker

Founded in 2022, DWF Labs specializes in digital asset market making and investment. The company expanded its services to include market making, venture investments, and over-the-counter trading, collaborating with DWF, a professional trader-focused firm established in 2018. DWF employs artificial intelligence, machine learning, and statistical methods to execute swift trading strategies in the digital asset market. It handles a variety of products including spot, futures, and options, operating across more than 60 exchanges.

DWF Labs has earned the trust of over 700 companies and institutions. It provides liquidity to more than 25% of the top 100 cryptocurrency projects, exerting significant influence on the broader cryptocurrency market. The company also supports innovative entrepreneurs through liquidity
